About CPCB

"The Central Pollution Control Board (CPCB), statutory organisation, was constituted in September, 1974 under the Water (Prevention and Control of Pollution) Act, 1974. Further, CPCB was entrusted with the powers and functions under the Air (Prevention and Control of Pollution) Act, 1981. It serves as a field formation and also provides technical services to the Ministry of Environment and Forests of the provisions of the Environment (Protection) Act, 1986. Principal Functions of the CPCB, as spelt out in the Water (Prevention and Control of Pollution) Act, 1974, and the Air (Prevention and Control of Pollution) Act, 1981, (i) to promote cleanliness of streams and wells in different areas of the States by prevention, control and abatement of water pollution, and (ii) to improve the quality of air and to prevent, control or abate air pollution in the country"

1. Login (Industry Users)

a) OCMMS Industry Users:

- User has to select the state. If it is OCMMS state, alert will be displayed as shown below.

geo.nic.in says

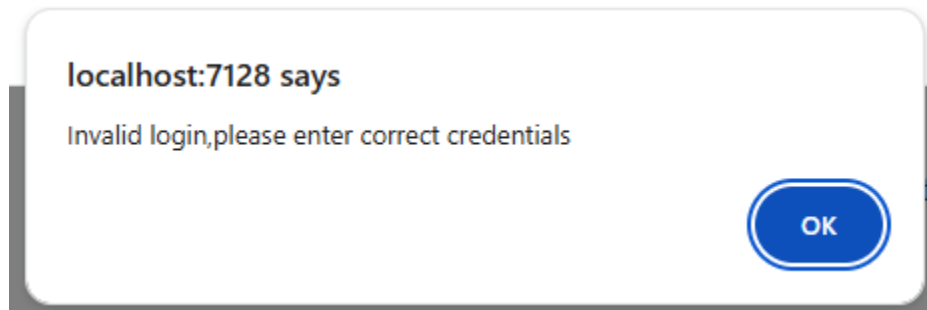

Login with OCMMS user credential

OK

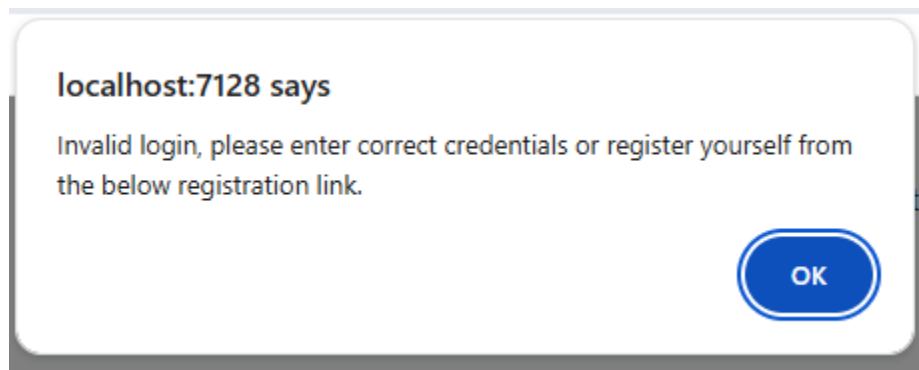

- If OCMMS state industry user login, he has to enter the OCMMS credentials. First, it will check the OCMMS system. If not matched with OCMMS system, it will check with NHWTS system.

Note: - If the user is unable to login with OCMMS user credentials then he may register himself in NHWTS portal using Registration link.

- If the password is wrong/not matching in both OCMMS and NHWTS system, alert ("Invalid login, please enter correct credentials") will be displayed.

- In case OCMMS user wants to change password for login in NHWTS system, he can use 'Forgot password' option. But, for using 'Forgot password' option, that user should have logged in the NHWTS system previously for at least one time, or he should be the registered user of NHWTS portal.
- If the entered username doesn't exist in both OCMMS and NHWTS system, alert having message "Invalid login, please enter correct credentials or register yourself from the below registration link" will be shown. In that case, user can register as new user using the registration link.

b) Non- OCMMS Industry Users:

- If it is non-OCMMS user, he must enter the user credentials through which he registered in the NHWTS portal.
- If non-OCMMS user entered incorrect password, "invalid Login" alert will come.

localhost:7128 says

Invalid login, please enter correct credentials

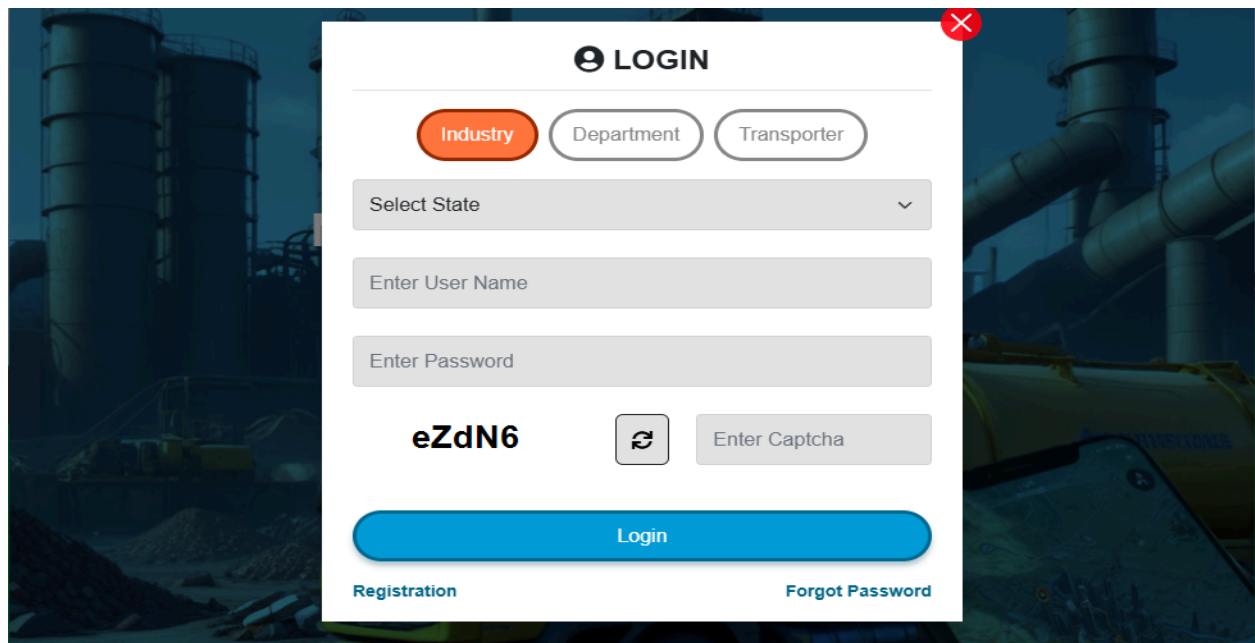

OK

- If non-OCMMS user entered incorrect username, “Invalid login, please enter correct credentials or register yourself from the below registration link.” alert will come.

localhost:7128 says

Invalid login, please enter correct credentials or register yourself from the below registration link.

OK

2. Login (Department Users)

- On selection of Department Radio button, Select Category dropdown will be shown. In that, accordingly user has to select the category.

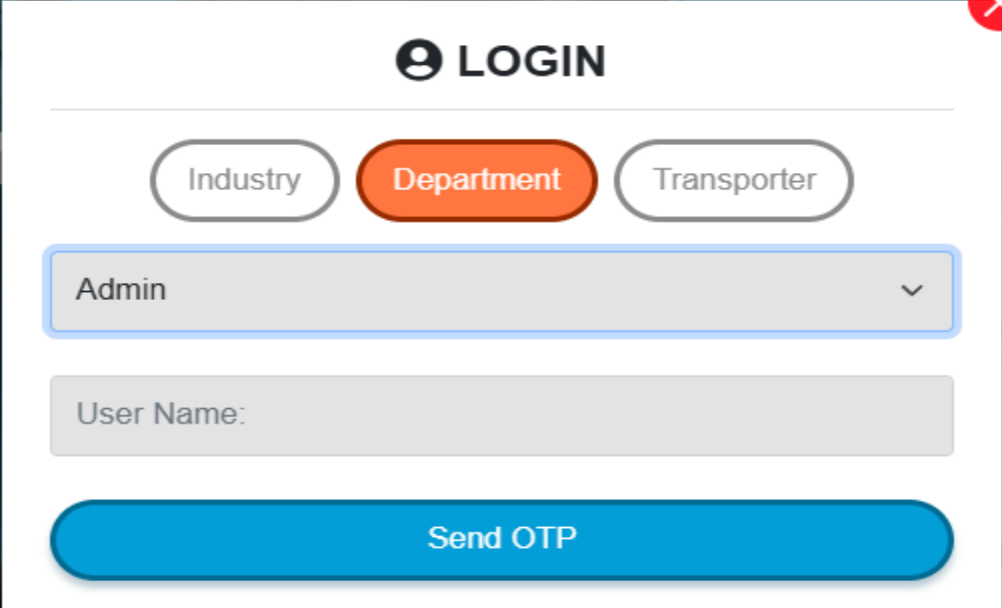

The screenshot shows a login modal window titled "LOGIN" with a close button (X) in the top right corner. It features three radio buttons: "Industry", "Department" (which is selected and highlighted in orange), and "Transporter". Below the radio buttons is a "Select Category" dropdown menu with a downward arrow. Underneath the dropdown is a "User Name:" input field. At the bottom of the form is a blue "Send OTP" button. The background of the modal is a dark image of industrial equipment.

This screenshot shows the same login modal window, but with the "Select Category" dropdown menu open. The dropdown list displays the following options: "Select Category" (highlighted in blue), "Admin", "CPCB", and "SPCB". The "Send OTP" button remains at the bottom of the form. The background image and the "Department" radio button selection are consistent with the previous screenshot.

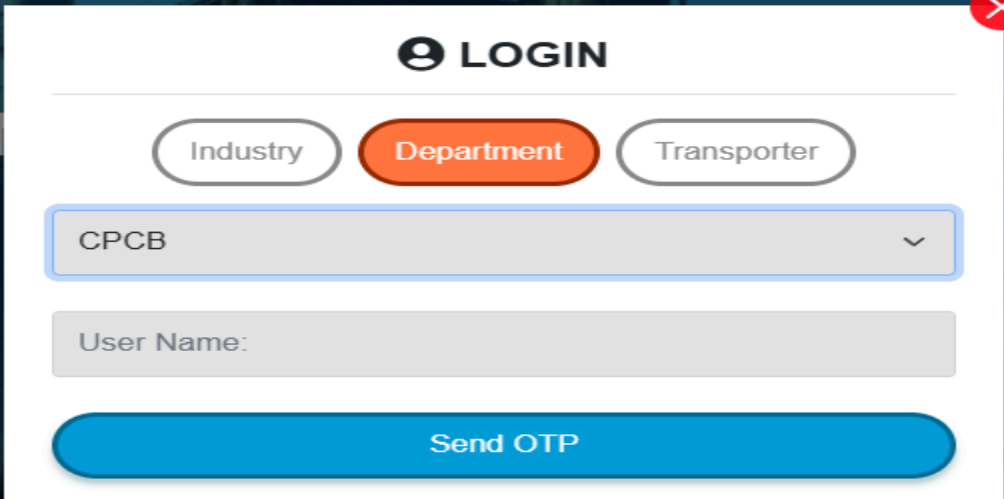

a) Admin Users:

The image shows a login form titled "LOGIN" with a user icon. It features three role selection buttons: "Industry", "Department" (highlighted in orange), and "Transporter". Below these is a dropdown menu currently showing "Admin". Underneath the dropdown is a "User Name:" input field. At the bottom is a large blue "Send OTP" button. A red close button (X) is in the top right corner of the form overlay.

- Select Admin and enter username. Click on Send OTP button.
- OTP will be sent to registered mobile number. On entering correct OTP, user can login.

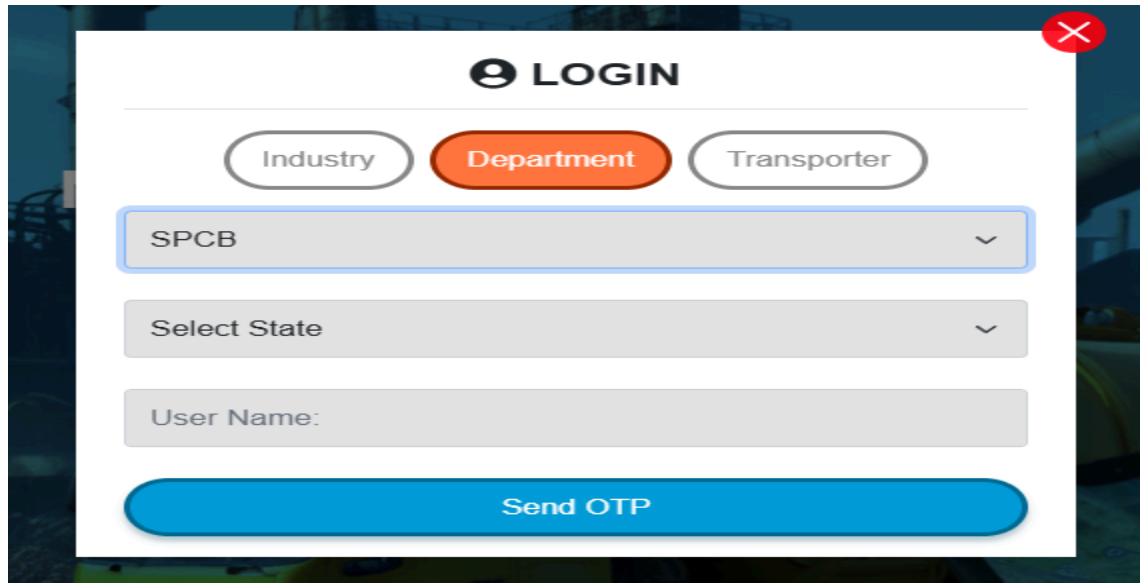

b) CPCB Users:

The image shows a login form titled "LOGIN" with a user icon. It features three role selection buttons: "Industry", "Department" (highlighted in orange), and "Transporter". Below these is a dropdown menu currently showing "CPCB". Underneath the dropdown is a "User Name:" input field. At the bottom is a large blue "Send OTP" button. A red close button (X) is in the top right corner of the form overlay.

- Select CPCB in the user category dropdown. Enter username. Click send OTP.
- OTP will be sent to registered mobile number. On entering correct OTP, user can login.

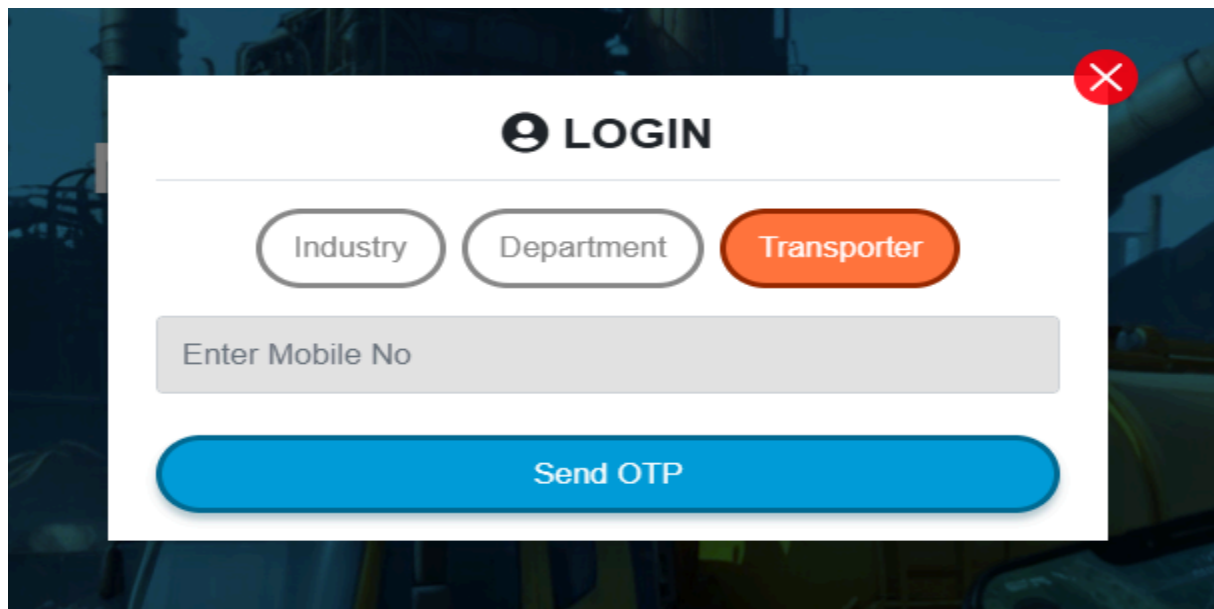

c) SPCB Users:

The screenshot shows a login interface titled "LOGIN" with a user icon. Below the title are three buttons: "Industry", "Department" (highlighted in orange), and "Transporter". Under these buttons is a dropdown menu currently showing "SPCB". Below the dropdown is another dropdown menu labeled "Select State". Below that is a text input field labeled "User Name:". At the bottom is a large blue button labeled "Send OTP". A red close button (X) is in the top right corner of the form.

- Select SPCB in the user category dropdown, and state.
- Enter username. Click send OTP.
- OTP will be sent to registered mobile number. On entering correct OTP, user can login.

3. Login (Transporter)

The screenshot shows a login modal window titled "LOGIN" with a user icon. Below the title are three radio buttons: "Industry", "Department", and "Transporter". The "Transporter" button is selected and highlighted in orange. Below the radio buttons is a text input field labeled "Enter Mobile No". At the bottom of the modal is a large blue button labeled "Send OTP". A red close button (X) is located in the top right corner of the modal.

- On selection of Transporter radio button, text box for entering mobile number will be shown.
- Only respective transporters of SPCB approved vehicles those registered by any of the industry Users can login using the mobile number registered by the industry user.
- Enter mobile number. Click send OTP.
- OTP will be sent to registered mobile number. On entering correct OTP, transporter can login.
- Then he can acknowledge the manifest generated by the industry user.

4. Registration:

- All Industry users (both OCMMS and non OCMMS) can register themselves by clicking the registration link in the login page.
- If OCMMS user forgot OCMMS credentials and in case he is not the registered user of NHWTS portal or he is the user who never logged in the NHWTS portal previously, that user can register as new user in the NHWTS portal.
- User request will be sent to CPCB. Once it is approved industry user can login with their credentials.
